

# **Chalfont Park Canoe Club Welfare Policy**

Chalfont Park Canoe Club is fully committed to safeguarding the well-being of its members. All members should show respect and understanding for the rights, safety and welfare of others, and conduct themselves in a way that reflects the principles of the Club as laid out in the Constitution.

We believe that taking part in Paddlesport should be a positive and enjoyable part of everyone's lives and to achieve this have the following aims:

Club members should follow the British Canoeing Code of Ethics.

All Club members should read and adhere to the British Canoeing Child and Vulnerable Groups Protection Policy. The Club will follow the guidance of the policy in the event of any concerns or allegations.

All Club members should be made aware of the Club Code of Conduct as laid out in the Constitution.

The Club will identify a person whose role it is to deal with any issues concerning Safeguarding and Protection (Club Welfare Officer) and notify this person to all members. Anyone with concerns with respect to the welfare of a member or guest should contact that person. If that person is unavailable, they can contact the British Canoeing Safeguarding Officer.

The Club will adopt and regularly review a Health and Safety Policy.

The Club will review this Policy annually.
