

No less than nine ladies Div. 2 entrants ! First was Zenia Theokritoff, of Chalfont, with a very good run of 228. Leamington took second and third places with Roberta Needham 251, who shows promise of getting ahead, and Mary Wallace 302. Let us hope that soon we shall have enough girls good enough to form a first division.

A full seven teams turned out for the Team Event. For the first time ever we had a reverse gate for a team gate (no, not Gate 5 - but Gate 6). First team was once again Manchester (Goodman Shaw, Lucas) 745, gaining an easy victory from Twickenham A with 864, and Chalfont A 1026.
