RANKING RESULTS

Due to the weather conditions on Sunday, the weir sluices were opened during the 2nd runs of Division One K1 Men, causing the water to rise and totally alter the course. A decision was taken by the Jury and the Organiser to de-rank these 2nd runs.

The water continued to rise, it became impossible to adjust the course and we were about to flood the timing equipment. We reluctantly decided to abandon the Competition and save the equipment.

Hambleden Weir Slalom Association apologise to all paddlers who missed there runs on Sunday, and request all prize winners to see Ed Ecclestone at Grandtully and collect there medals.
