The organisers would like to thank all of those who helped run Grandtully slalom under extremely difficult conditions.

Also we would like to apologise for the cancellation of the team event, any delays in results etc being published on the Sunday of the event, and also these results lists being sent out late.

Apologies to go to the Scottish Regional paddlers and the judges for the cancellation of their event.

Lastly to all of you who remember last years event on the same corresponding weekend being cancelled due to drought it must be obvious that someone up there doesn't like us.
