

Stafford and Stone Canoe Club

Holme Pierrepont Division One Slalom October 11th and 12th

The results of the slalom are attached.

Stafford and Stone C.C. would like to thank all participants, both officials and competitors, for their contribution to the success of the event. In particular we recognise the disappointment of teams and officials in only having one competition run because of the water level. We hope that the extra free practice session was part compensation. The decision to cancel second runs on Saturday at least ensured that Sunday's programme could take place. Thanks to all who helped.

LOST

One Stafford and Stone C.C. Arrowcroft umbrella, clearly marked with the club's initials. Any information please to Phil Baskerville, "Church Lodge", 72, High Street, Eccleshall, Stafford. telephone Eccleshall 850764
