

## MANCHESTER CANOE CLUB

AFFILIATED TO BRITISH CANOE UNION

This is just a quick note to say my "Thank you's" and hope you all had a good weekend. The weather although cold stayed dry, the water level was quite good. I look forward to seeing you next year, this time hopefully at the "Tail".

I would like to thank the members of Manchester Canoe Club who gave up their weekend off to come and help, there wouldn't have been an event anywhere.

My special thanks go to the following people who all worked extremely hard, both before and during the event:-

Janet & Peter King

John Lanham & Julie Jones

Rick & Andy King (Plus ex members of Sheffield Univ.)

Cheadle North Rangers & "Skip"!!!

Brian Tipper

Warren Holden and the members of the jury

Richard Lee & the Tryweryn Centre

The Welsh Water Authority

Doreen & Gerry and all the people who helped in the "Good Grub Cabin"

Syd Edge and the section judges

Mrs Rohleder and Maurice Rothwell for their trophies

I apologise if there is anyone I have missed but my thanks go to all who were there at the weekend paddlers included.

Judy Kelly

BRITISH CANOE UNION - SLALOM COMMITTEE

STATEMENT BY THE SLALOM EXECUTIVE - "THE SERPENT'S TAIL"

The request to Manchester Canoe Club to move the event to the Tryweryn requires an explanation.

The background is, in outline:

- Llangollen Anglers Association gave notice about 18 months ago of their intention to withhold permission.
- Dee Users Committee, convened by Welsh Canoeing Association, were asked by the Slalom Executive to negotiate so as to secure continued permission on the traditional date.
- Llangollen Anglers maintained their refusal to give permission.
- WCA and other interests are seeking to progress access negotiations on a wider front.
- At National level, a constructive meeting on Friday 18 September with National Angling interests re-opened the possibility of starting constructive access discussions and included an undertaking on both sides to avoid provocative actions for at least one month.

The Slalom Executive and its representatives argued strongly throughout that this event should be allowed to continue as it has for over 25 years.

On 22 September, BCU Executive received report of the 18 September meeting and approaches from BCU Access Committee and WCA.

The Sports Council were asked to intercede and after contacting the various interests asked BCU to require that the event be moved on this occasion and on the understanding that the Anglers would not proceed with action to prevent the competition being held. The club agreed to this request.

The Slalom Executive which met on 26 September regrets the transfer of this event for 1987 but accepts that it was desirable in the interests of future access negotiations in Wales and the U.K. generally, on the clear understanding that meaningful discussions would start immediately. The Executive intends to press for guarantees of at the least the present level of access on the Dee in general and at Serpent's Tail in particular.

It regrets the inconvenience and irritation to Manchester Canoe Club and competitors that this late move has caused. The Executive is very appreciative of the constructive attitude of the club and its willingness to go along with the pressure not to prejudice the larger issues. We apologise for the absence of a proper statement on site at the start of the event.
